

IL-255 Sanitary Sewer Relocation Project

The IL-255 Sanitary Sewer Relocation Project has started on October 19, 2009. Haier Plumbing and Heating, Inc. out of Okawville, Illinois is the contractor for this project. Because of the IL-255 road coming thru Godfrey the Village has to relocation their Sanitary Sewer lines to avoid conflict with the new highway. The working locations will be around the Hood's area, south side of Faith Lutheran Church property, Elizabeth Street area, the corner area of Airport and Godfrey Roads and along the west side of Godfrey Road north of Airport Road to about the Godfrey's Village Hall area.
